RHYWFAINT O WYBODAETH BWYSIG I DDYSGWYR SY'N SEFYLL ARHOLIADAU TGAU HAF 2024

Sicrhewch bod digon o amser i gynllunio ac adolygu. Mae'r arholiadau yn cychwyn ar y 9fed o Fai. Hwn yw'r amser delfrydol i drefnu'ch nodiadau a dechrau edrych ar beth yn union sydd ei angen arnoch ar gyfer pob pwnc. Mae'r arholiad olaf ar 19eg o Fehefin.

Dyma ddolen i amserlen arholiadau haf 2024 CBAC;

[summer-2025-wales-and-eduqas-gcse-final.pdf](#)

Bydd y dulliau a'r technegau adolygu sydd yn gweithio'n effeithiol yn amrywio o berson i berson. Oherwydd bod dull penodol yn gweithio i'ch ffrind, ni fydd o reidrwydd yn gweithio i chi. Mae angen i chi roi cynnig arnyn nhw i gyd a gweld pa rai sydd o gymorth i chi. Bydd dulliau adolygu hefyd yn amrywio o bwnc i bwnc. Er enghraifft, gall cerdiau fflach helpu gydag adolygu ffeithiau allweddol Gwyddoniaeth, ond cwblhau gyn-bapurau yw'r ffordd orau o adolygu Mathemateg. Ar ddiwedd y dydd, ni ddiffinir chi gan eich graddau ond mae'n bwysig eich bod yn cyrraedd eich potensial. Mae eich ffrindiau, rhieni, gofalwyr, tiwtoriaid dosbarth, athrawon pwnc, pennaeth cynnydd i gyd yma i'ch cefnogi.

SOME IMPORTANT INFORMATION FOR LEARNERS SITTING GCSE EXAMS IN SUMMER 2024

Give yourself plenty of time to plan and revise. Examinations start on the 9th May. This is the ideal time to organise your notes and start to look at exactly what you need to go over for each subject. The last exam is on the 19th June. Here is a link to the WJEC summer 2024 examination timetable.

[*Microsoft Word - Summer 2025 - WALES and Edugas GCSE - FINAL Exam Timetable \(14.04.24\)*](#)

Preferred revision methods and techniques will vary from person to person. Just because a particular method works for your friend, it may not work for you. You need to try them all out and see which one you find the most effective. Revision methods will also vary from subject to subject. For example: flash cards may help you with Science key facts revision, but completing past papers is the best way to revise Maths. It's not all about getting top grades. Whatever your potential, help yourself achieve it. Your friends, teachers, form tutors, parents and carers are all here to support you.

POB LWC!

Mrs Jenkins & Mrs Dickenson

CYNGOR AR SUT I ADOLYGU

- 1. Ysbeidiau byr o adolygu** (30-35 munud) sydd fwyaf effeithiol. Mae angen seibiant rheolaidd. Peidiwch â gorweithio eich hun a gwnewch yn siŵr eich bod chi rhoi amser i'ch ymennydd brosesu.
- 2. Chwiliwch am le tawel i adolygu** - eich ystafell wely, ysgol, llyfrgell leol. Mae angen creu "llecyn i weithio" a pheidio â mynd a'ch ffôn yn agos i fannu.
- 3. Gwnewch amserlen adolygu** i sicrhau eich bod yn ymdrin â phopeth. Gwnewch yn siŵr nad ydych chi'n adolygu'r pynciau rydych chi'n eu hoffi yn unig. Gweithiwch ar eich gwendidau hefyd.
- 4. Gwnewch eich nodiadau adolygu eich hun.** Gludwch nodau allweddol i gwprdd neu ddrysau yn eich ystafell fel eich bod yn eu gweld bob dydd.
- 5. Gosodwch tasgau byrion** a rhowch tic yn eu herbyn fel eich bod yn teimlo eich bod yn cyflawni a sicrhau nad ydych yn teimlo dan bwysau.
- 6. Rydyn ni i gyd yn dysgu'n wahanol**, felly arbrofwch gyda wahanol ddulliau a defnyddio amrywiol ffyrdd megis mapiau meddwl, defnyddio nodiadau post-it, creu cardiau fflach, podlediadau, fideos. Gofynnwch i ffrind neu aelod o'ch teulu i'ch profi.
- 7. Defnyddiwch gyn-bapurau arholiad** neu brofion adolygu sydd ar gael ar-lein. Dechreuwch amseru eich hun i wneud yn siŵr nad ydych yn methu â chwblhau papur ar y diwrnod.
- 8. Bydd angen help arnoch rhywbryd**; gofynnwch i ffrindiau, rhieni, ac athrawon.
- 9. Cadwch yn heini a bwyta'n iach.** Mae manteision ymarfer wrth adolygu yn cynnwys mwy o ffocws a chof mwy miniog. Bydd bwydydd iach yn sicrhau bod mwy o egni gennych a'ch bod yn teimlo'n llai blinedig yn y prynhawniau gyda mwy o egni i ddysgu.
- 10. Mae angen i chi sicrhau eich bod yn adolygu a chredu yn eich hun.** Cadwch feddylfryd cadarnhaol a chofiwch wobrwyo eich hun bob hyn a hyn.

REVISION TIPS

1. **Short sessions of revision** (30-35 minutes) are most effective. Revision is only effective when split up by breaks. Don't overwork yourself, make sure you are giving your brain time to process and recharge.
2. **Find a quiet place to revise**—your bedroom, school, a local library. Create a “work station” and your phone never enters the work station. Separate “work” and “leisure”.
3. **Make a revision timetable** to ensure you cover everything. Make sure you don't just revise the subjects and topics you like. Work on your weakness as well.
4. **Make your own revision notes.** Stick key notes to a cupboard or doors in your room so you see them every day.
5. **Set mini-goals.** Have a few goals you would like to achieve at the end of each day/week. You can add these to your revision timetable. This will give you a feeling of accomplishment when you tick them off! It also helps you to avoid feeling overwhelmed.
6. **We all learn differently**, so use different techniques. Make your own mind maps, use post-it notes, create flash cards, listen to podcasts and watch revision videos. Ask friends to test you!
7. **Practice past examination papers** or revision tests available online. Start timing yourself to make sure you don't run out of time on the day.
8. **You will need help at some stage**; ask friends, parents, and teachers.
9. **Keep active and eat healthily.** The benefits of exercise on revision include increased focus and improved memory. Increasing your intake of healthy foods as they will leave you feeling less tired in the afternoons with more energy to learn.
10. **“Fail to prepare, then prepare to fail”!** You need to make sure you revise and believe in yourself. Keep a positive mindset and remember to reward yourself every now and again.

TECHNEGAU ADOLYGU

UWCHOLEUO / AMLYGU

Lliwio topigau yn ôl eich dealltwriaeth ohonynt e.e. pinc - angen adolygu, melyn - angen ailymweld, gwyrdd - yn hyderus gyda'r pwnc.

Colour code topics according to your understanding of them e.g. pink - need to revise, yellow - need to go over again, green - confident with the subject.

DARLLEN-CUDDIO-ADALW-GWIRIO-AILADRODD

Darllenwch dros y wybodaeth hoffech chi gofio, cuddiwch y wybodaeth gyda darn o bapur, ysgrifennwch beth allwch chi gofio. Gwiriwch faint oeddech chi wedi cofio ac ailadrodd.

Read over the information you would like to remember, hide the information with a piece of paper, write out what you remember. Check how much you remembered and repeat.

FFLACHGARDIAU

Ysgrifennwch fflachgardiau gyda chwestiynau ar un ochr ac atebion ar yr ochr arall. Profwch eich hun. Bydd angen tri boc. Ar ôl i chi brofi eich hunan rhowch y cardiau yn y bocsys. Defnyddwch lliwau gwahanol am bynciau gwahanol.

Write out flashcards with questions on one side and answers on the other. Test yourself. You will need 3 boxes. Once you have tested yourself, put the cards in the boxes. Use different colours for different subjects.

Bocs A - Ddim yn gwybod angen adolygu pob yn ail dydd. *Don't know - revise every other day.*

Bocs B - Wedi cofio'r rhan fwyaf - angen gwneud eto mewn tridiau. *Remember most of the information - check again in 3 days.*

Bocs C - Wedi cofio angen ailbrofi mewn wythnos. *Remembered - retest in one week.*

TREFNWYR GWELEDOL / MAPIAU MEDDWL

Disgrifio, dadansoddi digwyddiadau, cymharu, achos ac effaith neu werthuso, rhowch eich dadleuon ar ffurf gweledol gyda manylder. Dechreuwch gyda thema canolog a threfnu'r wybodaeth ohono fe, wedi grwpio i is-themau.

Describing, analyse events, compare, cause and effect, predicting or evaluating and display your arguments in a graphic organiser in detail. Start with a central theme and organise the information from it, grouped into subtopics.

CYNBAPURAU

Gwnewch cyn-bapurau. Marciwch eich atebion. CAMU: Llenwch yr atebion wnaethoch chi golli.

Complete past papers questions. Mark your answers. DIRT: Fill in the answers you missed.

GWEFAN YR YSGOL

Ar wefan yr ysgol, gwelwch fod dolenni at nifer o adnoddau adolygu defnyddiol gan gynnwys Bitesize, e-Sgol ac adnoddau CBAC.

Defnyddiwch yr adnoddau sydd ar gael i'ch helpu chi.

On the school website, you will find links to a number of useful revision resources including Bitesize, e-sgol and WJEC resources.

Use the resources that are available to help you.

A WYDDOCH CHI...?

A wyddoch chi eich bod yn gallu creu papur arholiad eich hun gan ddefnyddio'r banc cwestiynau sydd ar gael ar gyfer rhai pynciau? Cofiwch ddewis TGAU pan yn dewis eich lefel. Mae'r atebion ar gael gyda sylwadau arholwyr hefyd i chi wirio eich atebion.

Did you know that, in some subjects, you can create your own revision papers using the WJEC question banks? Remember to choose GCSE when choosing your level. The answers are also available for you to mark your own work with comments from examiners. [Banc Cwestiynau gan CBAC](#)

SUT I GREU AMSERLEN ADOLYGU

Mae trefn yn bwysig. Penderfynwch pryd fyddwch chi'n codi a phryd fyddwch yn mynd i'r gwely. Gall amser gwely penodol ac amser deffro penodol helpu iechyd meddwl a sicrhau bod gennych yr amser sydd angen i gyflawni popeth.

Dylech greu amserlen i'ch hunain sydd yn cynnwys amseroedd ysgol, amseroedd gweithgareddau, amser i gymdeithasu gyda ffrindiau a gweld teulu ac amser i gysgu ac ymlacio.

Meddylwch am drefnu eich amser adolygu mewn slotiau 30 - 35 munud. 25 munud i weithio 5 - 10 munud o egwyl.

Cofiwch gynnwys ymarfer corff yn eich trefn dyddiol: ewch am dro, ewch redeg neu ewch nofio - beth bynnag, bydd ymarfer corff yn eich helpu i ymlacio a chynnal agwedd cadarnhaol tuag at waith.

Routine is important. Decide when you will get up and when you will go to bed. A specific bedtime and specific time to wake up can help your mental health and ensure that you have the time needed to achieve everything you need to achieve.

You should create a timetable that includes school times, activities, time to socialise with friends and family and time to sleep and relax. Think about organising your day in 30 - 35 minute slots. 25 minutes to work 5-10 minute breaks.

Remember to include exercise in your routine; go for a walk, go running or swimming - whatever you enjoy, exercise will help you to relax and maintain a positive attitude.

GWEFAN CYN-BAPURAU MATHEMATEG

Gwefan gyda bron pob papur Rhifedd wedi ateb yn llawn, wedi torri i lawr fesul cwestiwn er mwyn i ddysgwyr wirio eu hatebion yn syth adref.

5

BBC BITESIZE

Nodladau ac ymarferion ar dopigau, yn benodol ar gyfer TGAU Rhifedd.

OFFER

Cyfrifiannell gwyddonol Onglydd Cwmpawd

SIARADWCH GYDA'CH ATHRAWON!

Mae cyfleoedd adolygu yn ystod amserau egwyl a chinio a rhai sesiynau ar ôl ysgol.

Os ydych yn pryderu, cofiwch siarad gyda'ch athrawon - dydych chi ddim ar ben eich hun. Pob Lwcl!

FIVE

GCSE NUMERACY

WAYS TO REVISE MATHEMATICS

1

EXAM PAPERS

Practising past-papers is the best way of seeing your strengths and weaknesses to work on. Complete as many as possible before the exam.

2

MATHS.CYMRU

Videos explaining topics, with questions and answers, available in Welsh and English.

3

ADOLYGU MATHEMATEG

Topic revision videos available in Welsh only

4

MATHEMATICS PAST-PAPERS WEBSITE

A website with almost every Numeracy paper answered fully, broken down per question so learners can check their answers immediately at home.

5

BBC BITESIZE

Notes and exercises on topics, particularly for GCSE Numeracy.

EQUIPMENT

Scientific calculator
Protractor
Compass

SPEAK WITH YOUR TEACHERS!

There are revision opportunities during break and lunch times and some sessions after school.

If you are worried, remember to speak with your teachers - you are not on your own. Good Luck!
